Chapter 11

(Jointly Administered)

**DECLARATION OF JOHN TRENBERTH  
IN SUPPORT OF SUPPLEMENTAL  
RESPONSE**

**Claimant: The Brix Group, Inc.  
Claim Number 8229**

**Hearing Date: February 8, 2008  
Hearing Time: 10:00 a.m. (Prevailing  
Eastern Time)**

1 I, John Trenberth, declare.

2 1. I am President of Pana-Pacific, a division of The Brix Group, Inc., Claimant in these  
3 proceedings I have personal knowledge of the facts set forth below except those stated on  
4 information and belief, and as to those facts, I believe them to be true. If called upon to testify as a  
5 witness, I could and would testify to those facts.

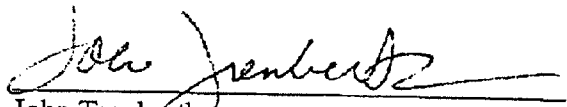

6 2. I have been with The Brix Group, Inc. for approximately 30 years. Currently, I run  
7 the OEM Division of The Brix Group, Inc. The OEM Division of The Brix Group, Inc. serves as a  
8 wholesale original equipment supplier of audio, video, security, communication, telematics and  
9 dashboard electronics equipment to the truck industry.

10 3. In my various capacities with The Brix Group, Inc. over the past 30 years, I have  
11 interfaced with Delphi on various projects and business ventures.

12 4. I have reviewed the Declaration of Harry Brix in Support of Supplemental Response  
13 filed herewith ("Brix Declaration"). All references in the Brix Declaration that involve meetings  
14 with The Brix Group and Delphi in which I was in attendance are true and correct and I adopt as  
15 my testimony.

16 5. In addition, the peripheral equipment referenced in the Brix Declaration consisted  
17 of: custom made wire harnesses, specific modems, unique antenna systems, keypads and mounting  
18 brackets. All of these parts were specified by MobileAria, as referenced in Exhibits C-K attached  
19 to the Brix Declaration. The parts were further all of a proprietary nature and therefore have little  
20 or no value on the open market. I am informed and believe that the peripheral equipment was all  
21 integrated to work as a system for the TruckPC program only and does not have any other  
22 application in our core business nor other comparable industries.

23 I declare under penalty of perjury under the laws of the United States of America that the  
24 foregoing is true and correct, and that this Declaration was executed on this 28 day of December  
25 2007, in Fresno, California.
